

Focus

PHOTOGRAPHY

*F*ocus photography have been photographing weddings for over 20 years and have a wealth of experience in offering full wedding coverage with a fun and informal style to your photography. Using creative, exciting and distinctive images we capture the moment as it happens as well as creating images that are that little bit different.

Your wedding photographs could be your only reminder of your special day, so make sure you entrust it to a fully qualified, fully insured experience master photographer.

Experience photographing weddings at all Yorkshire's top wedding venues ensures we know your wedding venue and the best locations for your wedding photographs.

Your wedding photographs are displayed in the best wedding albums from the worlds top manufacturers in Italy into storybook style wedding albums, each individually designed to be as unique as you are.

P

hoto booth hire is a great way to add something special to your event and they are ideally suited for your wedding. Hire a photo booth from us and your guests will be talking about it for weeks to come and will have the pictures to prove it!

All our photo booths use professional studio lighting with high resolution cameras and professional dye-sublimation printers to give you amazing high quality pictures.

With all our packages you will receive a complimentary album and double sets of prints, one for your book and one for your guests to take home with them. We use coloured gel pens for your guests to leave messages alongside their pictures creating you a fabulous memento of your day.
